EMANCIPATION OF THE SOUL™

living from your true self

Would like to delve deeper into your issues and blocks that are keeping you from realizing your true potential?

Do you want to commit more seriously to your own personal and spiritual growth?

Do you like a practical approach to overcoming emotional, mental, spiritual and even physical issues?

Do you have a psychic child that needs guidance regarding their abilities and how to deal with them?

Daniela Mouser will assist you in pin pointing the negative patterns that are shaping your reality, the energetic blockages and physical ailments that are holding you back and provide you with the tools you need in order to step into your own truth with love and grace. So that you can move on on your path in a positive and empowering way.

One hour sessions \$75 - can be done once a week, every two weeks or once a month in person or via Skype/Facetime.

You can commit to as many sessions as you feel comfortable and as frequently as you wish.

Includes initial consultation (30min - 45min) typically done via phone/Skype/Facetime.

Sessions are tailored to the individuals needs and can include anything from personal readings, energy healing sessions, clearings, past life regression work, teachings and emotional, spiritual mentoring as well as homework for the client.
